2016 Rules

Updated: March 19, 2016

JUNIOR DIVISION

1. The Junior Division (grades 5-6) will follow the current ASA rule book except where modified below,
2. Game Length: all games shall be six innings in length. All rules in the ASA rule book pertaining to length of the game should be modified by one less inning to reflect the shorter game.
3. Time Limit: No game will be played for more than 2 hours, the umpire shall keep the clock. No new inning shall start 1 hour and 45 minutes after the start of the game if another game is scheduled afterwards on the same field. If no other game is scheduled, a new inning may be started at 1 hour and 45 minutes if both coaches agree.
 - The game starts at the end of the coach/umpire meeting at home plate. A new inning starts immediately after the final out of the previous inning.
 - At the coaches' discretion, with two outs in any inning, a pinch runner may be used for the catcher to keep the game going. The runner will be the player who made the last batted out.
4. The inning is over when three outs are recorded or after 8 runs are scored, whichever comes first.
 - In the last inning, three outs must be recorded.
5. Mercy rule: 10 runs after four innings ^{(3 1/2} if home team is winning).
 - The winning team is encouraged to continue playing the game as long as the losing team agrees so all the girls have more opportunities to play.
 - If the losing team agrees to continue playing, the final score and winner is determined at the time the mercy rule is invoked. Any play after the mercy rule is considered a scrimmage.
 - The umpire shall continue to officiate at the umpire's discretion.
6. The umpire may determine if an inning other than the 6th will be the last inning based on both available daylight and the "game time limitation" rule and will notify coaches so they may plan accordingly.
 - Once a determination is issued that an inning will be the last inning, the game shall end upon conclusion of that inning, even if there appears to be sufficient light to continue to play.
 - The umpire will have the final decision on calling games due to rain or darkness.
7. If a game is called in the middle of an inning due to weather or darkness, then the score will revert back to the score at the end of the last inning unless the home team is tied or winning. If the home team is tied or winning when the game is called, then that will be the final score.
8. Players: Teams must have a minimum of eight players to play. A 20 minute grace period will be given only if a team has less than eight players.
 - Only players rostered to that team may play. No 'guest' players are allowed.
 - Each girl on the roster must play a minimum of three innings in the field.

 - Dropped third strike will NOT be used.

If the pitcher raises her arm as if to throw, or makes a pump fake, it will be considered an attempt to make a play and the runner shall not be declared out.
 19. On a play on a runner or batter-runner, the player must slide or avoid contact or risk being called out on interference. (Please note, this does NOT mean that a player must slide, but if she doesn't slide and makes contact with the defensive player, she could be called out for interference.)

JUNIOR DIVISION

20. If a batter is hit by a pitch and the pitch is not a strike then it is a dead ball and the batter is awarded first. The batter does NOT have to try and avoid being hit. However, if the batter leans into the pitch (i.e. in the umpire's judgement tried to get hit by the pitch) then if the pitch was a ball then the batter would remain at bat and awarded a ball, but not first base unless it was ball 4. If the ball was a strike, and the batter leaned into the pitch and was struck, then it would be a dead ball and a strike would be assessed to the batter. If it was a third strike, the batter would also be out.
21. If the batter hits or misses and throws the bat, the umpire will issue a warning to the batter and the coach. If the bat is thrown a second time by the same batter, the batter will be called out.
22. Pitchers are limited to five warm-up pitches at the start of each inning. If the catcher does not have her equipment on, an alternate should be ready to warm up the pitcher. If another player is used to warm-up the pitcher, that player must wear a catcher's mask.
23. Obscene language or abusive behavior by coaches, players, or fans will not be tolerated. Coaches or players ejected from the game and may be subject to suspension or termination. They will leave the field area if ejected by the umpire. Fans will be ejected from the field after one warning from the umpire. Game play will be suspended until the offending fan, player, or coach, is removed.
24. An umpire will be provided for each game. If the umpire does not show up within 30 minutes of the start time, a parent, spectator, or coach will be used. The only exceptions are play-off games, an umpire is mandatory and play cannot commence until an umpire arrives.
25. Teams must try to give as much notice as possible if they are unable to field a team and cannot play a game. Teams must cancel game at least 3 hours prior to game time if there are last minute player missing. The coach of the cancelling team must then contact the umpire director and scheduler to cancel. If not able to cancel 3 hours prior, the canceling team forfeits and receives 0 points. If it is a visiting team they must notify the home team prior to 3 hours or take the forfeit.

The team which cancelled the game must make all efforts to reschedule the cancelled game, if fields are not available then the game will be rescheduled on the opponents fields.
