2015 Rules

Updated: April 15, 2015

INSTRUCTIONAL DIVISION

1. The Instructional Division (grades 3-4) will follow the current Babe Ruth rule book except where modified below.
2. Game Length: all games shall be six innings in length. All rules in the Babe Ruth rule book pertaining to length of the game should be modified by one less inning to reflect the shorter game.
3. Time Limit: No game will be played for more than 2 hours, the umpire shall keep the clock. No new inning shall start 1 hour and 45 minutes after the start of the game if another game is scheduled afterwards on the same field. If no other game is scheduled, a new inning may be started at 1 hour and 45 minutes if both coaches agree.
 - o The game starts at the end of the coach/umpire meeting at home plate. A new inning starts immediately after the final out of the previous inning.
 - o At the coaches' discretion, with two outs in any inning, a pinch runner may be used for the catcher to keep the game going. The runner will be the player who made last out.
4. The inning is over when three outs are recorded or after 8 runs are scored, whichever comes first.
 - o In the last inning, three outs must be recorded.
5. Mercy rule: 10 runs after four innings (3-½ if home team is winning).
 - o The winning team is encouraged to continue playing the game as long as the losing team agrees so all the girls have more opportunities to play.
 - o If the losing team agrees to continue playing, the final score and winner is determined at the time the mercy rule is invoked. Any play after the mercy rule is considered a scrimmage.
 - o The umpire shall continue to officiate at the umpire's discretion.
6. The umpire may determine if an inning other than the 6th will be the last inning based on both available daylight and the "game time limitation" rule and will notify coaches so they may plan accordingly.
 - o If the teams are then able to play an additional inning within the "game time limitation" rule and sufficient daylight exists, they shall continue to play.
 - o The umpire will have the final decision on calling games due to rain or darkness.
7. If a game is called in the middle of an inning due to weather or darkness, the score shall revert to the previous inning.
8. Players: Teams must have a minimum of eight players to play. A 20 minute grace period will be given only if a team has less than eight players.
 - o Only players rostered to that team may play. No 'guest' players are allowed.
 - o Each girl on the roster must play a minimum of three innings in the field.
 - o No player shall sit two innings before all players on the team have sat one inning.
 - o There will be no "playing up" or "playing down". All girls must play in the appropriate division for their age, NO EXCEPTIONS.
9. Each team will follow a permanent batting order that must include all players in attendance, including those not playing defense in a given inning.
